June 2010

## **Meeting Call**

The Lancaster/Northumberland Interfaith Service Council will hold a General Membership Meeting on Thursday, June 10, at 7:30 p.m., in the Fellowship Hall at St. Andrews Presbyterian Church, 435 E. Church Street, Kilmarnock. Our guest speaker will be Ellie Galloway, representing the Alzheimer's Association.

Prior to the General Membership Meeting, the Interfaith Board of Directors will meet at 6:00 p.m. on Thursday, June 10, in the Parlor at St. Andrews Presbyterian Church. Guests are welcome.

Please join us as we discuss Interfaith's activities, programs and goals for the future. Your opinions and ideas are very important.

## **Interfaith News and Information**

In an effort to spread the word about Interfaith and our programs this summer, Interfaith will have a booth at the Farmers Market behind the Old Courthouse in Heathsville on Saturday, June 19, and Saturday, July 17. Please stop in and visit.

There is steady progress on the Interfaith office currently under construction. Last January Interfaith's newsletter reported on pouring the concrete floor for the new office. Volunteers worked through the winter and spring, creating a small but neat and attractive office building, suitable for client interviews, Board or staff meetings, or committee and other small group gatherings – a multiuse facility Interfaith has needed for a long time. Interior finishing will take another few weeks. We are planning an official opening ceremony in a few weeks, so watch for the announcement!

## **Thanks...Thanks...Thanks!**

To our church neighbors and their congregations, the bedrock of the Interfaith organization. We exist because of you. We are able to help our less fortunate neighbors because you follow Jesus' direction, "Feed My Sheep."

Many thanks to the volunteers who pick up and deliver donated items. Please let us know if your congregation can provide pickup service for one month. We need teams of two people able to lift and load everything from microwave ovens to mattresses. This is a real service to your church, to Interfaith and the community.

To members of the Indian Creek Yacht & Country Club for their Talent Show event raising funds for Interfaith! We appreciate your support for helping our neighbors in need.

To Mosaic Quality Consignments for holding a recent, highly successful Yard Sale benefiting Interfaith emergency programs.

And thanks to all the organizations and individuals who support Interfaith with their contributions, their time and work.

For those who need help from Interfaith, summer is a time of relief from the harsh weather and high expenses of winter. But the needs associated with illness, unemployment, the elderly and the very young don't go away in the summer. We ask God for His continued guidance as we work to help make a better life for all who share our lives in Lancaster and Northumberland Counties.

Thank you for your support.
